

AOMB*Intellectual
Property
Consultants*

Established in 2009, AOMB Polska Sp. z o.o. is a fast-growing internationally orientated Intellectual Property firm, located in the financial heart of Warsaw.

In view of our successful development, we are looking for candidates to join our firm.

We need motivated professionals, who will help us build our business:

- **qualified patent attorneys** with a technical or scientific background or those specialised in trade mark, design and copyright matters,
- **trainee patent attorneys**, preferably with a technical or scientific background.

Graduates with a university degree in law, science or engineering who wish to become a Polish and European patent attorney are especially encouraged to apply.

We offer:

- challenging work and unique opportunities for professional development,
- international career opportunities within AIPEX – the first alliance of national IP firms in Europe,
- for nationally qualified professionals with a technical or scientific background: the possibility of thorough preparation for the European Qualifying Examination – EQE (supported and required by our firm).

Please send your CV and motivation letter before 1 July 2011 to mail@aomb.pl or:
